

380V three-level distribution box with socket

Overview

380V Portable Mobile Three-Level Distribution Box, Outdoor Rainproof, One Machine One Circuit, Construction Site Decoration Industrial Quick Socket 380V Portable Mobile Three-Level Distribution Box, Outdoor Rainproof, One Machine One Circuit, Construction Site Decoration Industrial Quick Socket 380V Portable Mobile Three-Level Distribution Box, Outdoor Rainproof, One Machine One Circuit, Construction Site Decoration Industrial Quick Socket welcome to taobao purchase v portable mobile three-level distribution box, outdoor rainproof, one machine one circuit, constructing site dredge socket. Complete Set of 380V Three-Phase Four-Wire Circuit Breaker Distribution Box, Indoor Surface-Mounted Three-Level Distribution Box, Control Box, Low Voltage welcome to taobao purchase complete set. Compliant with European/international standard EN/IEC 60309-2 The products have passed a variety of performance tests, whether in product temperature rise mechanical life, material flame retardant, high pressure resistance, vibration, high temperature resistance, low temperature, or dust, pollution. As a leading manufacturer and distributor of professional stage lighting equipment, ROY STAGE LIGHT CO LIMITED has been delivering high-quality lighting solutions from our production base in Guangzhou, China since 2012. By combining premium raw materials, cutting-edge technology, and a team of. Customized complete distribution boxes, ideal for indoor environments like factories and workshops, offer a range of configuration options. These include choices of brands such as Renmin/Delixi, current ratings of 63A/32A, and combinations of three-phase/two-phase switches. Operating at 380V, the 3 phase 125 amp input power distribution unit with soca outputs 30 channels power distribution box: 3-phase 5-wire system 380V (A).
