

Albanian zinc-coated cable tray manufacturers

AI Overview

Brilltech Engineers Pvt. Ltd. and Mava Profile are leading suppliers of zinc-coated (galvanized) cable trays in Albania. Key Manufacturers

1. Brilltech Engineers Pvt. Ltd. Brilltech Engineers is a prominent manufacturer and supplier of galvanized cable trays in Albania. Their products are made from high-grade steel sheets coated with zinc through a hot-dip galvanization process, providing excellent corrosion resistance and durability. The trays feature perforated designs for proper ventilation, preventing cable overheating, and are suitable for industrial, commercial, and power plant applications. Brilltech offers both standard and customized cable tray solutions and has ISO-certified manufacturing facilities. They also provide export services and can supply large-scale projects.
2. Mava Profile Sh.p.k Mava Profile, established in 2007, is an Albanian trading company specializing in metal and steel products, including galvanized steel suitable for cable trays. They offer a wide range of flat steel products, hollow sections, and pipes with zinc coatings, which can be used in cable management systems. Mava Profile serves multiple industries, including construction, oil and gas, and heavy industry, and provides products with guaranteed quality and third-party inspection reports.

Product Features

- Material:** High-quality steel with zinc coating for rust and corrosion resistance.
- Coating Process:** Hot-dip galvanization ensures long-lasting protection and durability.
- Design:** Perforated or ladder-style trays for ventilation and easy cable management.
- Applications:** Industrial plants, commercial buildings, electrical installations, and infrastructure projects.
- Installation:** Designed for quick and efficient installation, reducing labor costs.

Additional Notes Some manufacturers, like Brilltech Engineers, also provide export services and can supply customized solutions for large-scale projects. Mava Profile...
