

Algerian optical fiber communication pipe manufacturer

AI Overview

Key manufacturers and suppliers of optical fiber communication pipes in Algeria include ELSEWEDY ELECTRIC ALGERIE, AEDHS.com, and Optical Telecom Services. Major Manufacturers and Suppliers

1. ELSEWEDY ELECTRIC ALGERIE A subsidiary of the Egyptian group ELSEWEDY ELECTRIC, this company operates in Algeria providing integrated energy and telecom solutions. They specialize in fiber optic cables, copper cables, structured network cabling, and maintenance solutions for telecom and IT markets. They also offer a range of electrical cables and accessories, making them a versatile supplier for infrastructure projects.
2. AEDHS.com AEDHS.com supplies a wide range of fiber optic products across Algeria, including Algiers, Oran, Constantine, Annaba, and other major cities. They provide major international brands and offer door-to-door delivery, spare parts, repair, and maintenance services. Their portfolio includes fiber optic cables, connectivity solutions, and testing equipment, making them a reliable partner for resellers and telecom operators.
3. Optical Telecom Services (OTS) OTS has over 30 years of experience in network engineering, with 19 years focused on fiber optic infrastructure. They provide engineering, installation, and certification services for fiber optic networks, including civil works, cable laying, and splicing. OTS also offers consulting and technical support to optimize network performance and ensure compliance with installation standards.
