

All-Plastic Household Electrical Distribution Box Manufacturer

AI Overview

Leading manufacturers of plastic electrical distribution boxes include Linkwellelectrics, LAIWO Electrical Technology, and various certified suppliers listed on DirectIndustry, offering durable, customizable, and compliant enclosures. Key Manufacturers and Their Offerings

1. Linkwellelectrics (China) Linkwellelectrics specializes in high-quality ABS and PC plastic distribution boxes with UV resistance for outdoor use. Their products feature modular designs, pre-drilled mounting points, and wide temperature tolerance from -25°C to 80°C . They provide IP65 and IP67 rated enclosures, ensuring protection against dust and water, suitable for telecom, control cabinets, and outdoor installations. The company offers CE and RoHS certified products, fast delivery, bulk order support, and flexible customization to meet client-specific requirements.
2. LAIWO Electrical Technology LAIWO produces flame-retardant ABS bodies with transparent PC lids, providing visual inspection of internal components. Their enclosures include DIN rails, Neutral/Earth terminal bars, and are available in IP20, IP40, and IP65 ratings. With over 20 years of experience, LAIWO emphasizes quality control, CE/UKCA certification, and offers customization services for commercial, industrial, and residential applications.
3. DirectIndustry Suppliers DirectIndustry lists multiple manufacturers such as Cabur, Romutec, and Safybox, offering a wide range of plastic electrical enclosures. These products comply with DIN EN 61439 standards, feature UL94 flammability ratings, and are halogen-free and RoHS compliant. They provide enclosures suitable for industrial, commercial, and residential use, with options for DIN rail mounting, modular assembly, and IP66-rated outdoor protection.
4. Other Notable Suppliers Some Chinese manufacturers, like those listed on Made-in-China, provide customizable plastic distribution boxes with...
