

Asian Steel Cable Tray Manufacturer

AI Overview

Asia hosts numerous reputable steel cable tray manufacturers offering high-quality, durable, and internationally certified products suitable for industrial, commercial, and infrastructure projects. Leading Manufacturers in China Canhope Steel (Foshan, China) specializes in ladder, perforated, solid bottom, and large-span cable trays. Their factory spans over 15,000² and uses CNC bending, laser cutting, and robotic welding for precision. Canhope Steel is ISO 9001 certified, and their products comply with IEC 61537 standards. They export to over 30 countries, serving industrial plants, data centers, commercial buildings, and solar PV projects. Shandong Tianhong Electric Power Technology Co., Ltd. produces perforated trays, cable ladders, trunking, strut channels, and fittings. They offer OEM & ODM services, powder-coated surfaces for corrosion resistance, and solutions for heavy-duty industrial environments, data centers, and commercial buildings. Leading Manufacturers in Indonesia PT Sumber Surya Mandiri manufactures cable trays, cable ladders, and other steel products for local and global clients. Their products include heavy-duty systems with excellent ventilation and enclosed channels for cable protection. They are certified under SNI and ISO 14001:2015, ensuring quality and environmental compliance. Other notable Indonesian manufacturers include Jaya Bersama Sentosa (JBS), specializing in corrosion-resistant industrial trays, Baja Karya (BAKA), known for galvanized and stainless steel trays, and Powerwell Indonesia, offering customizable trays compliant with ISO and CE standards. Leading Manufacturers in India Brilltech Engineers Pvt. Ltd. provides galvanized steel, stainless steel, and fiberglass cable trays. Their perforated trays enhance airflow, prevent overheating, and optimize space. They also offer design support, installation guidance, and ensure compliance with industry standards. Key Considerations Material Quality: Galvanized steel, stainless steel, and powder-coated finishes for durability and corrosion resistance. Product Types: Ladder...
