Australia

Specialising in ring main units, MV/LV switchgear, overhead line gear, and smart grid technologies, Lucy Electric supports Australian utilities in advancing network reliability and NetZero

Schneider Electric unveils 200 kWh C& I battery storage

Schneider Electric has introduced a modular 200 kWh battery energy storage system for commercial and industrial (C& I) users, scalable up to 2 MWh

Distribution Automation | Xylem Australia

Our DA solution helps you reduce costs and enhance system reliability to minimize outages. It delivers cost-effective wireless communication and control solutions for a wide range of distribution

NHP Australia

NHP is an Australian company that specialises in motor control, power distribution, and automation systems. We offer a complete industrial electrical

Australia Distribution Automation Market (2025-2031) Outlook

Distribution automation technologies such as smart meters, reclosers, and fault detection systems enable utilities to monitor and control distribution networks more effectively, reducing outage

Schneider Electric unveils 200 kWh C& I battery storage

France-based Schneider Electric has launched a new battery energy storage system (BESS) for C& I applications. The Schneider Boost Pro uses

Smart grid solutions | Schneider Electric Australia

Discover our intelligent and sustainable solution to extreme weather, DER surges, interconnection delays, rising demand, and cybersecurity threats. Our platform helps you efficiently build, operate,

Home Automation Australia and New Zealand | Smart

Home Automation Australia and New Zealand. Shop for every major Z-wave home automation brand & technology - all backed by our unique compatibility platform

Warehouse Logistics

Australian Retail Giant Super Retail Group Opts for KNAPP's Automation Solution for Omnichannel Retail 11.01.2024 Austrian logistics tech company KNAPP receives an order from

Black Cat Control Systems Australia's Largest

Black Cat Control Systems is a prominent importer of automation technologies such as DALI, KNX, Z-Wave Plus, Sub-G, WiFi, and Bluetooth controllers, and is also

Industrial Automation | SAGE Group

From manufacturing to critical infrastructure, SAGE Automation delivers industrial automation systems, engineering excellence and 24/7 nationwide support.

Australia Distribution Automation Market Size & Outlook

The distribution automation market in Australia is expected to reach a projected revenue of US\$ 1,193.5 million by 2030. A compound annual growth rate of 15.9% is expected of Australia distribution

Smart Factory and Smart Distribution Centre

Smart Distribution Centres deploy EcoStruxure solutions to improve predictability and reliability for customers and enhance delivery excellence. EcoStruxure

Freedom Won LiTE Commercial 200/160 HV

Introducing the Freedom Won LiTE Commercial 200/160 HV, a powerful high-voltage energy storage solution designed for large-scale commercial

Electrical Automation Solutions | CCI

CCI delivers electrical automation and control system solutions to improve efficiency, reliability and safety across industrial operations. Get in touch today.

Super Retail Group Automates Omnichannel Fulfilment

Australian retail giant Super Retail Group is counting on smart automation from KNAPP. The new central warehouse in Melbourne distributes

How Automation Is Reshaping Australian Supply Chains in 2025: A ...

Australia's supply chain landscape is undergoing a fundamental transformation in 2025. Automation technologies have moved decisively from experimental implementations to essential

Reduce your impact with a smart power distribution

Implement a smart power distribution system With the support of experts at Schneider Electric and their EcoXpert™ partners, we can help you

200kWh power distribution cabinet for highways Australia

Distribution cabinets are required to house an electricity meter, circuit termination, and switchgear, and to accept electricity from the Distribution Company in order to supply that electrical power to the

Electrical Products, Solutions & Accessories
