

Belgian Mesh Cable Tray Wholesale Prices

AI Overview

Wholesale prices for Belgian mesh cable trays vary by material, size, and supplier, typically ranging from €0.80 to €76 per unit depending on bulk order and specifications. Suppliers and Product Options Trayco specializes in 100% Belgian cable trays, mesh trays, and cable ladders, offering tailored solutions and project advice. They provide high-quality materials suitable for industrial and commercial installations, though specific wholesale prices are available upon request through a customized quote. GroupSumi offers wire mesh trays made from galvanized steel or stainless steel, with a variety of sizes for residential, commercial, and industrial applications. Their trays are modular, ventilated, and designed for easy installation, making them suitable for large-scale projects. PohlCon BeNeLux also supplies mesh cable trays in Belgium, focusing on professional cable management systems. Pricing details are typically provided directly to B2B clients upon inquiry. Price Ranges Based on industry data and wholesale listings: B2B bulk orders: Prices can range from €0.80 to over €76 per unit, depending on material (stainless steel, aluminum, galvanized steel), size, and customization. B2C retail prices: Smaller quantities for end-users are generally €15 to €34 per unit, with lower per-unit costs achievable through bulk purchasing. Material considerations: Stainless steel (SS304) and aluminum trays command higher prices due to durability and compliance with industrial standards, while galvanized steel offers a cost-effective alternative. Key Considerations for Wholesale Purchases Volume discounts: Larger orders significantly reduce per-unit costs. Material and durability: Choose trays based on environmental conditions and load requirements. Ease of installation: Modular and no-drill clamp systems save labor costs. Supplier support: Belgian suppliers like Trayco provide project consultation and...
