Accessories: Elbows, tees, reducers, and covers add to the total cost.

Delivery and Packaging: Prices may include DDP delivery, protective wooden casing, and shipping, as required by BPC procurement standards .

Procurement Considerations

Ensure compliance with material specifications and factory certifications. Confirm unit rates include all taxes, duties, and delivery charges. For large projects, request a Bill of Quantities or supplier quotation to compare costs across different tray types and suppliers. Local suppliers like Brilltech Engineers can provide customized solutions and may offer competitive pricing for bulk orders . For accurate budgeting, it is recommended to contact suppliers directly with your project specifications to obtain firm quotations, as prices vary by tray type, size, and material finish.
