

# Cable tray manufacturers for computer rooms

## AI Overview

Top professional cable tray manufacturers for computer rooms include Atkore, ABB, Basor Electric, and specialized suppliers like Power Cable Tray, offering high-quality, customizable solutions for data centers and IT infrastructure. Leading Manufacturers Atkore International is a global leader in cable tray systems, providing a wide range of solutions for construction, renovation, and IT infrastructure projects. Their portfolio includes ladder, perforated, and channel trays suitable for indoor and outdoor applications, ensuring reliable cable management and compliance with industry standards. ABB manufactures cable tray systems including perforated trays, cable ladders, and channel trays, with production facilities in Canada and Saudi Arabia. Their systems are designed for medium to ultra-heavy-duty installations, offering adaptability, moisture resistance, and ease of maintenance, making them ideal for computer rooms and data centers. Basor Electric specializes in cable management solutions for data centers, including Basorfil and cable ladder runways. Their products support fiber optics, UTP, video, alarm, and power cables, providing smooth cable runs, bend radius management, and modular adaptability for evolving IT environments. Power Cable Tray is a professional manufacturer with over 20 years of experience, offering ODM and OEM services. They provide perforated trays, ladder trays, and complete cable tray systems with automated manufacturing for precision, consistent quality, and efficient installation. Their solutions are suitable for industrial, commercial, and data center applications, with customization options for specific project requirements. Additional Notable Manufacturers Chalfant Manufacturing: Offers innovative self-connecting and walkable tray lines with over 70 years of experience. Sunil Engineering Corporation: Provides perforated and ladder trays wit...
