

Chinese Micro-module Data Center Manufacturers

AI Overview

Leading Chinese micro-module data center manufacturers include Jiangsu Datangweishi, Shangyu Intelligent, HUAMAI, Huawei, and Shenglin, offering modular, prefabricated, and high-density solutions for diverse industries. Key Manufacturers and Offerings

1. Jiangsu Datangweishi Technology Co., Ltd. Datangweishi specializes in integrated modular computer rooms, network server cabinets, PDU cabinet sockets, KVM switches, and comprehensive cabling solutions. Their products are ISO 9001 certified and comply with CCC, CE, FC, and RoHS standards. The company has collaborated with major telecom operators like China Mobile, China Unicom, China Telecom, and Huawei, participating in large-scale infrastructure projects such as rail transit and subway systems.
2. Shangyu Intelligent Micro Data Center Shangyu offers highly integrated micro-module data centers that combine cabinets, power distribution, cooling, wiring, and intelligent management. Their solutions support single-cabinet power up to 24kW, cold/hot aisle containment, and flexible deployment for single or multi-module configurations. Prefabricated in the factory, these systems enable rapid on-site assembly, energy efficiency, and enhanced operational intelligence. They serve sectors including telecom, government, finance, and enterprise IT, and partner with brands like Huawei, ZTE, and Inspur.
3. HUAMAI Founded in 1998, HUAMAI is a professional manufacturer of customized micro data centers. They focus on wholesale and tailored solutions, providing flexible configurations to meet specific client requirements at competitive pricing.
4. Huawei Digital Power Huawei delivers prefabricated modular data centers for public cloud, carrier IDCs, and medium-to-large enterprise deployments. Their solutions include One Module One DC and containerized designs, enabling fast deployment, scalability...

Taiwan Semiconductor Manufacturing Company Limited

TSMC has been the world's dedicated semiconductor foundry since 1987, and we support a thriving ecosystem of global customers and partners with the industry's leading process technology and

China Customized Micro Data Center Manufacturers Suppliers Factory ...

As one of the most professional micro data center manufacturers and suppliers in China since 1998, we're featured by quality products and good service. Please rest assured to wholesale customized

Top Modular Data Center Construction Companies in

Discover all relevant Modular Data Center Construction Companies in China, including Miebach Logistics and SmartX

China Modular data center manufacturers, Modular data center

ZhiTing Micro Module Data Center is a professional China Modular data center manufacturer and supplier, if you are looking for the best Modular data center with low price, consult us now!

China Micro Data Center factory, personalized Micro Data Center

Introducing our cutting-edge Micro Data Center solutions, designed to meet the demands of the modern digital landscape. Our Micro Data Centers are compact powerhouses, delivering the performance

Wiley Online Library

RAM Shortage 2025: How AI Demand is Raising DRAM

Executive Summary: In late 2025 the global memory industry is grappling with an unprecedented RAM (DRAM) shortage. Exponentially rising

Global Memory Shortage Crisis: Market Analysis and

In late 2025, the global semiconductor ecosystem is experiencing an unprecedented memory chip shortage with knock-on effects for the device

Top 7 Modular Data Center Manufacturers 2026

Some of the top manufacturers of modular data centers include HPE, IBM, Eaton, Schneider Electric, Huawei, Dell, Vertiv, and others.

Modular Data Center Manufacturers | Prefab & Smart Micro Solutions

Top modular data center manufacturers offering prefabricated, smart micro, and containerized solutions with cooling, UPS, and aisle containment. Custom OEM support available.

High-Capacity HDDs for PCs, NAS, Gaming, Data

Tiered storage—spanning HDD, flash, and tape—is the operational standard for hyperscale data centers and scalable AI infrastructure.

Micro Module Data Center Manufacturer, PDU, Rack Supplier

Since its establishment, the company has been continuously researching and developing network cabinets, server cabinets, PDU cabinet sockets, KVM switches, integrated modular computer rooms,

Sage Journals: Your gateway to world-class journal research
