

East Africa Color Steel Cable Tray Manufacturer

AI Overview

NAHMA Precision Metal Products in Ethiopia and Hutaib Electricals in South Africa are leading suppliers of high-quality color steel cable trays across East Africa. Key Manufacturers in East Africa:

- 1. NAHMA Precision Metal Products (Addis Ababa, Ethiopia)** NAHMA is a prominent cable tray manufacturer in Addis Ababa, offering ladder-type, perforated, and custom cable trays for industrial and electrical applications. They provide high-quality steel trays suitable for harsh environments and can deliver tailored solutions for specific project requirements.
- 2. Hutaib Electricals (South Africa, serving Africa)** Hutaib Electricals manufactures a wide range of cable trays including ladder, wire mesh, basket, perforated, and closed (box) trays. They offer finishes such as GI hot-dip, pre-galvanized, powder-coated, and stainless steel (SS 202/304/316), ensuring durability and corrosion resistance. Hutaib also provides accessories like bends, elbows, tees, and reducers, making them a comprehensive supplier for large-scale projects.
- 3. Brilltech Engineers (Pan-Africa)** Brilltech supplies galvanized steel, stainless steel, and fiberglass cable trays across Africa. Their perforated trays enhance airflow and prevent overheating, while their products comply with industry standards for safety and durability. They also provide installation support and system design assistance.
- 4. Cable Management Group (CMG, South Africa)** CMG offers perforated and ladder cable trays for light, medium, and heavy-duty applications. Their products are engineered for commercial and industrial use, with cold-formed metal channels and complementary cable management accessories. CMG serves projects across Africa, including East Africa.

Considerations for Choosing a Supplier: Material and Finish: For East African climates, powder-coated or galvanized steel trays are recommended to resist corrosion. Stain...
