

East Africa Grid Cable Tray Crossarm Quotation

AI Overview

To obtain a quotation for cable tray crossarms in East Africa, you can contact regional suppliers like East African Cables, Hutaib Electricals, or Sartra, who provide a wide range of cable tray systems and accessories. Key Suppliers and Options

1. East African Cables East African Cables offers aluminium conductors and cables for power distribution and transmission across East and Central Africa. While their website primarily focuses on cables, they may provide or recommend compatible cable tray systems and crossarm accessories for grid installations. You can contact them directly through their website to request a quotation or product details (<https://>) .
2. Hutaib Electricals Hutaib Electricals is a prominent cable tray manufacturer and supplier across Africa, offering a wide range of products including ladder trays, perforated trays, basket trays, and all necessary accessories such as bends, elbows, tees, and crossarms. They provide finishes like GI hot-dip, pre-galvanised, powder-coated, and stainless steel (SS 202/304/316), suitable for industrial and power distribution applications. Hutaib Electricals can provide customized cable trays and crossarms to meet specific project requirements .
3. Sartra Sartra supplies cable trays and conduits sourced from leading manufacturers for commercial, industrial, and power distribution applications. They offer galvanised steel cable trays in various lengths, widths, and configurations, along with accessories including crossarms. Sartra can consolidate multiple product ranges into a single shipment, which is useful for large-scale grid projects. They also provide a full enquiry form to request quotations and discuss specifications (<https://>) .

How to Request a Quotation
Contact: Reach out to the supplier via their website contact forms or email to specify your requirements, including tray type, material, finish, dimensions, and quantity. R...
