

Fiji Fiber Optic Cable Communication Equipment Manufacturer

AI Overview

Dominion Wire & Cables Limited is Fiji's primary local manufacturer of fiber optic and other cable solutions, complemented by service providers like Datec Fiji and NetCare Fiji for installation and maintenance. Key Manufacturers and Providers

Dominion Wire & Cables Limited is Fiji's only local manufacturer of cable solutions for energy, communication, data, and industrial sectors. They produce cables to international standards such as AS/NZS and BS specifications in their own factory, enabling both local and international delivery, including exports to Australia, New Zealand, and other Pacific Islands. Their offerings include fiber optic cables, along with complete cable and accessories packages for communication and data systems .

Datec Fiji specializes in fiber optic services, including design, cable installation, fusion and mechanical splicing, testing, and ongoing maintenance. They provide end-to-end solutions for businesses, government, healthcare, and industrial sites, ensuring optimal performance and minimal downtime for fiber networks .

NetCare Fiji focuses on structured cabling solutions, offering single-mode and multi-mode fiber optic installations for high-bandwidth applications. Their certified technicians handle design, installation, testing, and maintenance, ensuring compliance with industry standards and supporting scalable network infrastructure .

VT Solutions Ltd provides cabling solutions including fiber optic cables, Cat 6/6A, and coaxial systems. While primarily a service provider, they support large-scale installations and wireless network integration, making them a key partner for construction and IT projects in Fiji .

Summary For organizations seeking fiber optic cables in Fiji, Dominion Wire & Cables Limited is the main manufacturer capable of supplying high-quality cables locally and internationally. For installation, splicing, testing, and network management, compa...
