

High-efficiency leak-proof distribution box

Overview

(1) Waterproof distribution box engineered for harsh outdoor and industrial environments, providing IP65-IP68 sealing against dust, rain, and UV. They play a pivotal role in ensuring the reliable flow of power, serving as the backbone of electrical systems. The WPN Waterproof Distribution Box is a surface-mount enclosure using a rigid ABS body with a smoked PC transparent door. It ships with a DIN rail for MCB/RCD/RCBO, supports neutral/earth bars, and provides knock-out entries that fit cable glands to maintain IP65 sealing. Available in 4-39 ways, single/double/triple layers, ideal for industrial, commercial, and photovoltaic applications. Meet IEC standards for reliable electrical protection. From power and signal distribution to I&C applications and complete room solutions - we have just what you need.
