

Italian electrical distribution box assembly and wiring manufacturer

AI Overview

Cablotech, Master Divisione Elettrica, and Salcavi Industries are leading Italian manufacturers specializing in electrical panel assembly, wiring, and custom electromechanical solutions. Cablotech is an Italian company with over 25 years of experience in custom wiring solutions, electrical panels, and electromechanical assemblies. They provide services across all project stages, from initial design to final testing, ensuring compliance with regulations and high reliability. Their expertise includes cutting and processing single-core, multicore, signal, control, ribbon, and power cables, as well as on-machine wiring and testing of electrical panels tailored to specific applications. Cablotech also offers subassembly services, integrating electrical, mechanical, and hydropneumatic components. Master Divisione Elettrica Established in 1982, Master Divisione Elettrica is a major Italian manufacturer of electrical supplies for residential, commercial, and industrial use. They produce surface-mounted boxes in multiple module sizes and colors, and provide home automation and smart building solutions. Their products are designed for civil and industrial electrical installations, making them a reliable choice for distribution box assembly and wiring projects. Salcavi Industries Salcavi Industries specializes in electrical cables, connectors, and high-temperature wires, including PVC, LSZH flexible wires, and single & tri-rated cables. They are a manufacturer, supplier, and exporter, offering solutions suitable for industrial and specialized electrical applications. Their product range supports both standard and custom wiring needs. Additional Options Other Italian companies like TECNIKABEL, Elettrotek Kabel, and CCI ControlCavi Industria focus on specialized cables, flexible conductors, and busbar systems, which can complement electrical distribution box assembly pr...
