

Jordan New Energy Internet

Overview

Explore a range of flexible Fiber to the Home (FTTH) internet packages designed to meet various connectivity needs. Based on His Majesty King Abdullah II's vision, "Jordan 2025," which aims to make Jordan a regional gateway in the fields of information and communication technology and e-commerce, and to transform Jordan into an information society equipped with all the capabilities and competencies required to. Starlink, the satellite-based internet service by SpaceX, has launched its service in Jordan, expanding its availability in the Middle East. This allows for new possibilities like : Mobile cloud gaming, Content (Video, Music, or Movies) Streaming, or Mobile virtual reality. Satellite internet arrives in Jordan with Eutelsat Group and Orange Jordan ☐☐ We're providing high-speed internet connectivity alongside our partners at Orange Jordan using our powerful KVHTS satellite. For the first time, satellite internet is now available and delivering services in the country. Sama X, a bold new venture and authorized Starlink global reseller, has secured licensing from Jordan's Telecommunications Regulatory Commission (TRC) to resell Space X's Starlink satellite internet services across the Kingdom, simplifying access to high-speed internet everywhere. Our packages include free internet modems, unlimited local calls, and entertainment subscriptions with many pricing options. Whether you want to stream, surf, play games, or transfer.
