

Jordanian Small Fiber Optic Cable Equipment

AI Overview

Jordan offers a range of small fiber optic cable equipment through specialized suppliers like Fibertech, Alaman Comprehensive Trade Co., and Al Waslat, providing patch cables, connectors, and networking solutions. Key Suppliers and Distributors

Fibertech Jordan is a leading provider of fiber network services and equipment, offering high-speed connectivity solutions from 100 Mbps to 10 Gbps. They supply fiber optic infrastructure for both commercial and residential applications, ensuring secure and high-performance connections .

Alaman Comprehensive Trade Co. (ACT), established in Amman since 1976, specializes in importing, distributing, and marketing high-performance low-current cabling and accessories. Their products include fiber optic patch cables, connectors, and related networking equipment, serving clients across government, military, private sectors, and installers .

Al Waslat For Telecom & Electric Networking Accessories provides fiber optic components and emphasizes the importance of clean and well-maintained equipment for quality connections. They supply essential accessories for fiber optic systems, including cleaning tools and connectors .

Products and Equipment

- Fiber Optic Patch Cables:** Single-mode and multi-mode cables, such as 20m simplex single-mode SC-APC to SC-APC cables, designed for high durability and resistance to strain during installation .
- Connectors and Adapters:** SC, LC, and APC connectors for secure and low-loss connections.
- Networking Accessories:** Cleaning kits, splicing tools, and distribution panels to maintain optimal fiber performance .

Services These companies provide not only equipment but also installation, maintenance, and technical support for small fiber optic networks. Fibertech, for example, aggregates end-user traffic and ensures high-speed, secure connections for service providers and businesses . ACT...
