

Junction Box Installation Quotation

Overview

Generally, homeowners can expect to pay anywhere from \$100 to \$500 for a basic junction box installation by a licensed electrician. More complex jobs, such as installing a junction box in a difficult-to-access location or one that requires extensive wiring, could cost \$500 to. Junction box costs range from low-price indoor models (\$10-\$60) to weatherproof units (\$70-\$450), with installation averaging \$100-\$300 depending on location and materials. Plastic junction boxes for indoor wiring cost 50% to 80% less than metal boxes but aren't as durable. Smart panel upgrades (Span, Lumin) add \$3,000-5,000 but enable solar-ready homes. For larger electrical jobs like installing wiring or replacing an electrical panel, expect to pay \$2,000 to \$6,000. They are commonly made of aluminum, stainless steel, or heavy-duty cast metals.
