Epson Kenya 4th Floor, Fedha Plaza Mpaka Road. Achelis Material Handling Limited (AMHL) is a market leader in material handling solutions to provide clients with a one-stop shop for all their material handling needs which include: Lifting Equipment & Warehousing solutions, Construction Equipment solutions, Power (Generators) & Lighting Towers. At Equipment Sales Kenya Limited, we provide high-quality solar energy solutions designed to meet the growing demand for reliable, cost-effective, and eco-friendly power across Kenya. Whether for residential, commercial, or industrial applications, our solar products offer sustainable alternatives. The HIOSO HA7304 is a robust standalone Optical Line Terminal (OLT) designed to facilitate passive optical network (PON) installations. Featuring 4 SFP PON ports, this OLT supports up to 256 ONUs, making it ideal for deployment in counties, towns, and villages, as well as for FTTH, FTTB, and FTTO.
