

Korean shopping mall electrical distribution box manufacturer

AI Overview

HWASIN, SKKBO, BOXCO, and Shinsung Industrial Electric are leading South Korean manufacturers of electrical distribution boxes suitable for shopping malls and commercial facilities. HWASIN Co., Ltd. HWASIN specializes in high-performance electrical enclosures and control panels for various industries, including electricity, electronics, telecommunications, and construction. They offer standard and custom-made distribution boxes made from plastic, steel, and aluminum, including explosion-proof options. Their plastic enclosures are corrosion-resistant, lightweight, and feature waterproof and dustproof designs using urethane gasket foaming technology. HWASIN holds international certifications such as UL, TUV, CE, IECEx, ATEX, and KC, ensuring compliance with global standards. SKKBOSKKBO provides customized electrical box solutions with over 20 years of experience. Their products are widely used in indoor commercial spaces like shopping centers and offices. SKKBO emphasizes lightweight, easy-to-install distribution boxes and offers certifications including UL, CE, IP, IK, and CCC. They provide a collaborative design process to meet specific size, material, and functional requirements, making them suitable for tailored commercial installations. BOXCO Inc. BOXCO manufactures waterproof and durable enclosures with IP66/IP67 ratings and IK08 impact resistance. They offer plastic, ABS, polycarbonate, and aluminum enclosures, including hinged and dual-door types suitable for indoor and outdoor commercial applications. Their products are designed for robust protection against dust, water, and mechanical impact, making them ideal for shopping mall electrical distribution needs. Shinsung Industrial Electric Shinsung focuses on electric power distribution systems and switchgear, supplying components like load break switches, ring main circuit breakers, and switchgear controls. While...
