

Kuwait Zinc-Coated Cable Tray Manufacturer

AI Overview

Leading manufacturers of zinc-coated cable trays in Kuwait include Bahman Group, Almeer Industries, EBOMAC, and Al Nafe Group, offering a range of cable trays, ladders, and fittings for industrial and infrastructure projects.

Key Manufacturers

- 1. Bahman Group** Located in Shuwaikh Industrial Area, Bahman Group operates one of Kuwait's largest cable tray manufacturing facilities. They specialize in galvanized (GI) cable trays, ladders, and trunking, serving local projects, infrastructure, and GCC markets. Their products are approved for major projects including hospitals and Kuwait University, highlighting their reliability and compliance with local standards.
- 2. Almeer Industries** Almeer Industries designs and manufactures high-quality cable tray systems for commercial and industrial construction. While their website emphasizes advanced technology and infrastructure investment, they provide zinc-coated and other metallic cable trays suitable for flexible cable management and future expansions.
- 3. EBOMAC** EBOMAC is a well-established electrical boards and switchgear manufacturer in Kuwait, also offering cable trays. They focus on compliance with international standards, providing medium and low voltage switchgear and cable management solutions, including zinc-coated trays for industrial applications.
- 4. Al Nafe Group** Although primarily known for FRP/GRP cable trays, Al Nafe Group also supplies metallic cable support systems. Their products are corrosion-resistant and fire-retardant, suitable for harsh environments where zinc-coated trays are typically used. They offer ladder and perforated tray types with a wide range of fittings.

Considerations for Selection

Material and Coating: Zinc-coated (galvanized) trays are preferred for corrosion resistance in humid or industrial environments.

Project Compliance: Ensure the manufacturer's products meet local a...
