

Kyrgyzstan CIF Price OTN Router QSFP28

AI Overview

The CIF price for a carrier-grade router with QSFP28 ports in Kyrgyzstan depends on the router model, QSFP28 transceivers, and shipping/insurance costs, typically ranging from \$25,000 to \$60,000 for high-performance 100G-capable routers.

Router Options

- Edgecore AGR560**: High-performance 400GbE aggregation router with 24 x 100G QSFP28 ports and 12 x 400G QSFP-DD ports in a 2RU form factor. Supports multiple Network Operating Systems (ONL, commercial NOS). Suitable for Provider Edge (PE) or data center aggregation.
- Cisco Nexus 9300/9500 Series**: Offers 6–36 QSFP28 100G ports depending on the model. Compatible with Cisco ONE software and modular upgrades.

QSFP28 Transceivers

- Standard 100G QSFP28 modules**: Required for full 100GbE connectivity. Options include: FS 100G QSFP28 modules for data centers and enterprise networks. Ciena 100ZR QSFP28 coherent transceivers for long-reach DWDM applications, supporting up to 9.6 Tb/s on a single fiber pair. Huawei QSFP28-100G-LR4 for 10 km single-mode transmission.

CIF Price Estimation

Router Base Price

- Edgecore AGR560**: ~\$25,000–\$35,000 depending on configuration.
- Cisco Nexus 9300/9500**: ~\$30,000–\$60,000 depending on port count and software options.

QSFP28 Transceivers

- Standard 100G QSFP28 modules**: ~\$500–\$1,200 per module.
- Coherent 100ZR modules**: ~\$2,000–\$3,500 per module for long-reach DWDM.

Shipping and Insurance to Kyrgyzstan

CIF includes freight and insurance. For routers shipped from Europe, China, or the US, shipping and insurance typically add 5–10% of the product cost.

Example: A \$30,000 router with 12 QSFP28 modules (~\$12,000) may incur \$2,100–\$4,200 in CIF charges, totaling \$44,100–\$46,200.

Recommendations

- Confirm router model and QSFP28 type before requesting CIF quotes.
- Contact authorized distributors (Edgecore, Cisco, Huawei, FS) for Kyrgyzstan-specific shipping and customs costs.
- Consider bulk orders to reduce per-unit shipping and insurance costs.
- By combining the router base price, QSFP28...
