

Ladder-type and trough-type cable tray manufacturers

AI Overview

Top manufacturers of ladder-type and trough-type cable trays include Basor Electric, Chalfant Manufacturing, ABB/T&B Cabletray, and Cablofil by Legrand, offering a wide range of materials, finishes, and industrial-grade solutions. Leading Manufacturers Basor Electric provides a diverse range of cable tray and ladder systems suitable for commercial and industrial applications. Their products include ladder-type and trough-type trays with various materials and finishes, along with technical documentation and BIM 3D models for project integration. Chalfant Manufacturing specializes in ladder cable tray systems for indoor and outdoor use. Their Series 6 system includes covers, bends, intersections, and accessories, with screwless connections and walkable options for industrial power and data cables. ABB/T&B Cabletray offers ladder and ventilated bottom cable trays in pre-galvanized or stainless steel. Their systems comply with ASTM, ISO, and NEC standards, providing high structural strength, wide rungs, and Ty-Rap® slots for secure cable management. Cablofil by Legrand is known for wire mesh and ladder cable trays, prefabricated assemblies, and modular Cable Bus systems. Their products are designed for fast installation, heavy-duty applications, and harsh environments, with HR finishes for durability. Additional Suppliers and Marketplaces Tradewheel.com and Atkore International provide access to a wide range of cable trays, including galvanized, fiberglass, and stainless steel options. These platforms allow buyers to explore customized solutions, compare prices, and source products globally. Key Considerations Material and Finish: Choose based on indoor/outdoor use, corrosion resistance, and load requirements. Compliance: Ensure trays meet standards like ASTM, ISO, NEMA, and NEC. Customization: Some manufacturers offer tailored lengths...
