

Large-span cable trays near Central Asia

AI Overview

Central Asia's long-span cable tray market is served by both regional manufacturers and international suppliers, offering a wide range of metallic and non-metallic solutions for industrial and infrastructure projects.

Market Overview The Central Asian cable tray market is experiencing steady growth, driven by infrastructure modernization, energy projects, and industrial expansion in Kazakhstan, Uzbekistan, Turkmenistan, Kyrgyzstan, and Tajikistan. Demand is concentrated in Kazakhstan and Uzbekistan, fueled by mining, oil and gas, urban development, and industrial automation projects. Turkmenistan's market is linked to gas infrastructure, while Kyrgyzstan and Tajikistan are growing through hydropower and regional interconnection projects.

Product Types and Materials Long-span cable trays in the region are available in various materials and designs:

- Metallic trays:** Galvanized steel, stainless steel, aluminum, and powder-coated options, suitable for heavy loads and industrial environments.
- Non-metallic trays:** Fiberglass-reinforced plastic (FRP) and PVC, ideal for corrosive or chemical environments, water treatment facilities, and coastal areas.
- Designs:** Ladder-type, perforated, wire mesh, and trunking systems, with long-span configurations for extended cable runs in industrial and commercial installations.

Key Suppliers Several manufacturers and suppliers provide long-span cable trays to Central Asia:

- Shandong Jinheng Electric Co., Ltd (JLH Electric):** Offers cable ladders, perforated trays, wire mesh trays, and custom solutions in galvanized steel, stainless steel, aluminum, and FRP. They provide OEM/ODM services and have experience in industrial, commercial, and high-rise projects.
- Shandong Tianhong Electric Power Technology Co., Ltd:** Specializes in heavy-duty long cable runs, powder-coated trays, and enclosed systems for indoor and industrial environments. They support customized solutions and fast delivery.
- DANA STEEL and Al Ashoury Cable Trays:** Provide stainless steel, mild steel, aluminum, and hot-dip galvanized trays wi...
