

Lithuanian Cable Tray Procurement

AI Overview

Cable tray procurement in Lithuania is managed through the Central Public Procurement Information System (CVP IS), with tenders accessible via official portals and specialized aggregator sites. Official E-Procurement Portal All public procurement in Lithuania, including cable trays, is conducted electronically through the Central Public Procurement Information System (CVP IS), administered by the Public Procurement Office. This system is mandatory for all public procurement procedures, regardless of contract value, except for certain low-value exceptions under national law and European directives. The current CVP IS portal is active since December 2024 and can be accessed at <https://viesiejipirkimai.lt>. Suppliers must register to participate, and the portal provides access to tender notices, submission of bids, and management of procurement processes. Tender Aggregator Platforms For cable-specific procurement, platforms like TendersOnTime provide a comprehensive database of Lithuanian cable tenders, including RFPs, bids, and e-procurement notices. These platforms aggregate information from government agencies, newspapers, and online bidding sites, covering products such as: Cable trays and ducting systems Cable accessories, fittings, and glands Electrical and control cables Cable installation and jointing kits Specialized cables like CATV, EHT, and EHV Users can register for free, access full tender details, and receive customized daily alerts for new opportunities. How to Participate Registration: Create an account on CVP IS to access tender documents and submit bids electronically. Tender Search: Use keywords like "cable tray," "cable duct," or "electrical cable" to filter relevant tenders on CVP IS or aggregator platforms. Eligibility Check: Ensure compliance with technical, financial, and legal requirements specified in the tender notice. Some tenders may have additional restrictions based on experience or domicile. Bid Submission: Prepare and submit all required documents, including technical specific...
