

Manufacturers of fire-resistant cable trays in India

AI Overview

Leading Indian manufacturers of fire-resistant cable trays include Ferrotech India, Ajay Industrial, Indiana Group, Fibrograts, and Advantex Industries, offering FRP and fire-retardant solutions for industrial and commercial applications. Key Manufacturers and Offerings

Ferrotech India supplies FRP cable trays and accessories for chemical plants, refineries, oil & gas, ports, and power plants. Their trays are manufactured according to NEMA standards, with fire-retardant grades conforming to IS 6746 for surface burning tests and ASTM-D-635 for flammability. They offer perforated, solid-bottom, and ladder-type trays using the pultrusion process, suitable for light loads like instrumentation and control cables. Ajay Industrial Corporation Limited (AICL) is an ISO-certified manufacturer providing durable cable trays for industrial, commercial, and infrastructure sectors. Their perforated trays ensure excellent ventilation and drainage, available in various widths (25mm–1500mm) and depths (25mm–150mm). Materials include HR sheet, GP sheet, stainless steel, aluminium, and Galvalume, with finishes like hot-dip galvanization, powder coating, and self-finish options. AICL is recognized as a 3 Star Export House for quality and exports. Indiana Group offers FRP cable trays tested by independent authorities and inspected by organizations like Lloyds Register of Shipping and Bureau Veritas. Their trays follow NEMA standards and fire-retardant specifications (IS 6746, ASTM-D-635), produced via pultrusion for high-volume, consistent quality. They provide perforated, solid-bottom, and pre-drilled trays for light loads and instrumentation cables. Fibrograts Pvt. Ltd. (FGPL) manufactures corrosion-resistant FRP cable trays with 60–65% glass fiber content, ensuring strength and durability. They supply ladder and perforated types for heavy-duty power/control cables and light instrumentation/data...
