

Mesh cable tray production and direct sales

AI Overview

Leading manufacturers like JLH Electric, EFRA Industries, EAE Electric, and MP Husky offer direct sales of high-quality mesh-type cable trays with customization options. Recommended Manufacturers

1. JLH Electric (Shandong, China) JLH Electric specializes in wire mesh cable trays, perforated trays, and cable ladder systems. They operate their own factory covering 10,000 square meters, equipped with CNC machines, welding robots, and automatic molding lines, ensuring high-quality production and competitive pricing. They offer custom sizes, stainless steel (304/316), and OEM/ODM services, suitable for indoor and outdoor installations, IT environments, and industrial projects. Certifications include ISO 9001, ISO 14001, ISO 45001, and CE compliance, supporting global direct sales.
2. EFRA Industries LLP (India) EFRA Industries provides lightweight, flexible wire mesh cable trays, also known as basket trays. Their products are ideal for data centers, telecom, IT, and commercial buildings, offering excellent ventilation, easy installation, and corrosion resistance. EFRA emphasizes open-grid designs for airflow and heat dissipation, making them suitable for structured cabling and low-voltage systems. They supply directly to industries, ensuring reliable and scalable cable management solutions.
3. EAE Electric (Global) EAE Electric's TLS series wire mesh trays are available in stainless steel or electro-galvanized finishes. They support a full range of clamps, ceiling suspension systems, and accessories. The trays allow easy cable exit, top or bottom access, and improved ventilation, reducing fire risk and labor costs. EAE Electric provides detailed product specifications and direct sales options for bulk orders.
4. MP Husky (USA & Canada) MP Husky manufactures UL, CSA, and NEMA-compliant wire mesh/basket cable trays and cable bus systems. They offer aluminu...
