

Mexico KVM Fiber Optic Matrix Manufacturer

AI Overview

Mexico has several fiber optic manufacturers and distributors capable of supplying KVM matrix and extender solutions, including FibraMarket, MaxFiber, OXEN, and Matrox KVM systems.

Key Fiber Optic Manufacturers and Distributors in Mexico

FibraMarket: A leading Mexican distributor specializing in fiber optic products, including cables, connectors, and fusion splicers. They provide tailored solutions for enterprise networks and can support KVM over fiber installations through their high-quality fiber optic infrastructure.

MaxFiber®: Manufacturer and distributor of fiber optic equipment and materials, offering solutions for telecommunications and enterprise networks. MaxFiber emphasizes high-quality fiber optic components suitable for KVM matrix setups.

OXEN®: A Mexican company with over 10 years of experience in manufacturing fiber optic assemblies for telecom networks. They provide customized fiber optic solutions that can be integrated with KVM extenders or matrix systems.

Fibranet: While primarily a telecommunications service provider in Northwest Mexico, Fibranet offers advanced connectivity solutions and may support enterprise KVM over fiber deployments through dedicated fiber networks.

KVM Fiber Optic Solutions

Matrox KVM Extenders: Matrox provides fiber-optic point-to-point KVM extenders and KVM over IP matrix systems. Their products support high-resolution video, USB, audio, and RS232 signals over single-mode or multi-mode fiber, making them suitable for control rooms, broadcast studios, and industrial applications.

Extio Series: Includes Extio 2 and Extio F2408/F2208 models, capable of extending multiple monitors over fiber with uncompressed data transmission. These systems can be integrated with local fiber optic infrastructure provided by Mexican manufacturers like MaxFiber or OXEN.

KVM Matrix Switch

Get enterprise-level KVM features in a compact form Scale from 40 to 80 to 160 Ports
Extend video, USB, and audio up to 10 km (6.2 miles) over fiber Support 4K 60 4:4:4
video with 10-bits per color

Yangtze Optics Mexico Launches, Accelerating Global Expansion

Since adopting an international expansion strategy in 2014, YOFC has set up additional manufacturing facilities in Indonesia, South Africa, Brazil, Poland, and now Mexico, reinforcing its

KVM Extenders | Matrox Video

IP KVM Extenders Matrox Extio 3 works as either a point-to-point (fiber optic or copper), or networked KVM extension and switching solution, leveraging standard Gigabit network infrastructure to securely

Secure High Performance KVM Extenders and Matrix Switches

Thinklogical manufactures mid-to-large scale fiber-optic KVM matrix switches that are IA-accredited to manage multiple classifications of information through a single switch, simplifying authorized

Fiber Distribution KVM Matrix System Market Size, Share 2035

The Fiber Distribution KVM Matrix System Market is expected to grow from 2,350 USD Million in 2025 to 5 USD Billion by 2035. The Fiber Distribution KVM Matrix System Market CAGR (growth rate) is

Global IT Products & Network Solutions Provider | Black Box

Black Box provides cutting-edge IT solutions and technology products to businesses worldwide, ensuring innovative and reliable services for global digital transformation.

OXEN | Fabricantes de Fibra Óptica México

Oxen: Fabricantes y distribuidores de soluciones a la medida de Fibra Óptica para redes de telecomunicaciones.

Top Fiber Optic Telecommunications Companies in Mexico

The company specializes in measurement and testing equipment for fiber optic telecommunications, offering products and services such as fusion splicers,

Mexico KVM Fiber Optic Matrix Interface Solution

Experience the perfect, high performance, modular enterprise routing system for complete in-band signal distribution of high-definition video, audio, and peripherals over CATx or single-mode fiber supporting

Global Fiber KVM Matrix System Market Research Report 2025

The global market for Fiber KVM Matrix System was valued at US\$ 649 million in the year 2024 and is projected to reach a revised size of US\$ 801 million by 2031, growing at a CAGR of

Top Fiber Optic Cable Manufacturing Companies in Mexico

The Fiber Optic Cable Manufacturing industry in Mexico presents several key considerations for potential investors and businesses. First, understanding local regulations is crucial, as compliance

Fiber Distribution KVM Matrix System Market Outlook 2026-2034

Leading Manufacturers in Fiber Distribution KVM Matrix System Market The Fiber Distribution KVM Matrix System market exhibits a moderately concentrated structure, dominated by

The IP KVM People | Adder Technology

Adder design and manufacture an advanced range of KVM switches, extenders and IP solutions which enable the reliable control of local, remote and global IT systems.

Fiber Optic Matrix Switcher 2026-2034 Trends: Unveiling Growth ...

Explore the Fiber Optic Matrix Switcher market's growth drivers through 2033, valuing \$35.42 billion. Analyze regional shares & key companies like Crestron, Kramer, Extron.

Fiber KVM Matrix System Market

The fiber KVM matrix system market is experiencing significant growth, propelled by rising enterprise demand for reliable, high-bandwidth solutions that support advanced virtualization, edge computing,

Fiber KVM Matrix System Market 2026-2034

COMPETITIVE LANDSCAPE Key Industry Players Leading Manufacturers in the Fiber KVM Matrix System Market The Fiber KVM Matrix System market features a concentrated

Top Fiber Optic Cable Manufacturers in Mexico

FibraMarket is a specialized Mexican distributor of fiber optic products, offering a wide range of high-quality items including fiber optic cables, connectors, and fusion splicers. With over 20 years of

KVM Matrix Systems: Flexible operator station administration

The CATCenter NEO and CompactCenter X2 KVM matrix systems communicate via CAT cables (types 5, 6, 7). When using the modular ControlCenter-Digital and the ControlCenter

Fiber Distribution KVM Matrix System Market

The introduction of new tariffs by the United States in 2025 has reverberated through the global supply chains of fiber distribution KVM matrix systems. Many critical components, including optical

Global Fiber Distribution KVM Matrix System Market Outlook,

A Fiber Distribution KVM Matrix System is a specialized KVM (Keyboard, Video, Mouse) matrix system that uses fiber-optic technology to distribute signals across long distances, offering

FE1121-12G AVMATRIX | KVM Switches (Keyboard Video Mouse)

Buy now, ships today. FE1121-12G - 6 Port Rack Mount Network KVM from AVMATRIX. View datasheets, pricing and availability from DigiKey now!

KVM-over-IP-Matrix-System-Product-Guide

These make the KVM over IP Matrix System perfect for security, broadcasting and traffic control rooms. Furthermore, in retail environments, the system can connect point-of-sales consoles with computers
