

Mozambique Fiber Distribution Box Manufacturer

AI Overview

Tecnoelectrica LDA and Fibconet are key providers of fiber distribution boxes and related electrical distribution equipment in Mozambique. Key Manufacturers and Suppliers

1. Tecnoelectrica LDA Based in Maputo, Tecnoelectrica LDA is a leading distributor of electrical and fiber optic equipment in Mozambique. They supply a wide range of distribution boxes, including metal and plastic DBs, suitable for residential, commercial, and industrial applications. Their offerings include products from brands like Hager, ABB, Schneider Electric, and Gewiss, covering 2 to 190 modules. Tecnoelectrica also provides installation support and exports electrical accessories across Mozambique and internationally, making them a reliable local partner for fiber optic network projects.
2. Fibconet Fibconet specializes in FTTH fiber optic distribution boxes and related fiber optic equipment. Their distribution boxes are designed for splicing, splitting, and termination in FTTx networks, offering features like IP55 protection, easy capacity expansion, and separation structures for splice and patch cord management. Fibconet provides customization services and has over 16 years of experience in production and quality control, making them suitable for large-scale fiber optic deployments.

Additional Resources

Top Cabling and Fiber Optics Companies in Mozambique: Verified listings of local companies can be found in Maputo and Matola, which may offer fiber distribution solutions and related services.

Global Suppliers Directory: Mozambique-based fiber optic suppliers and exporters are listed on platforms like Global Suppliers Online, providing additional sourcing options.

Considerations for Procurement When selecting a manufacturer or supplier in Mozambique: Verify product specifications such as module capacity, IP rating, and compatibility with your network. Check for installation support and after-sales service...
