

Namibian Distribution Box Protective Cover Manufacturer

AI Overview

COREPE and SEFDI are notable Namibian manufacturers offering metal and plastic protective enclosures for distribution boxes, with customization options available. Key Manufacturers and Suppliers

1. COREPE and SEFDI These family-owned companies design and manufacture lightweight metal packaging and components, including stapled or welded tinplate enclosures. They specialize in customized protective boxes suitable for industrial and electronic applications, including explosion-proof options, and focus on recyclable materials and tailored dimensions for client needs.
2. African Packaging (Pty) Ltd A fully Namibian-owned company with over 40 years of experience, African Packaging supplies high-quality packaging solutions across multiple industries. While primarily focused on general packaging, they offer customized solutions and can source or advise on protective covers for distribution boxes.
3. Guan's Packaging (Pty) Ltd Located in Walvis Bay, Guan's Packaging manufactures custom-designed corrugated containers and protective cartons. They provide moisture-resistant coatings and can tailor boxes to specific dimensions, which may be suitable for non-metallic protective covers for distribution boxes.

Considerations for Choosing a Manufacturer

- Material Type:** Decide between metal, plastic, or corrugated protective covers depending on durability and environmental exposure.
- Customization:** Ensure the manufacturer can produce custom sizes and designs to fit your distribution boxes.
- Compliance and Safety:** For industrial or electrical applications, check for explosion-proof or insulated options.
- Local Support:** Choosing Namibian-based manufacturers like COREPE, SEFDI, or Guan's Packaging ensures faster delivery and local support. For specialized protective covers, COREPE and SEFDI are the most directly relevant manufacturers in Namibia, offering tailore...
