

Nepal Integrated Power Distribution Box Manufacturer

AI Overview

Leading manufacturers of integrated power distribution boxes in Nepal include Electra Electric, Abhiyan Engineering Nepal, Nijsha Enterprise, Rathi Electricals, and KTC Group. Key Manufacturers

Electra Electric – Based in Biratnagar, Electra Electric produces high-quality distribution boxes certified to international standards. Their products are designed for safe and efficient electricity distribution, suitable for residential and commercial applications. They emphasize quality materials and customer-focused service, and can be contacted via info@ktcgroup.com.np or +977-21-572485/86/87 for inquiries and orders.

Abhiyan Engineering Nepal (ABE) – Specializes in designing and fabricating electric control panel boxes for electromechanical systems. Their panels integrate PLC controllers, VFDs, fuses, and circuit breakers, ensuring precise automation, safety, and efficient power distribution. ABE's solutions are ideal for industrial and automation applications where control and reliability are critical.

Nijsha Enterprise – Offers heavy-duty power distribution boxes for commercial and industrial use. Their products feature modular designs for easy expansion, advanced safety mechanisms like ground fault and circuit breaker protection, and options for surge protection and remote monitoring. Nijsha Enterprise focuses on durability and long-term performance in demanding environments.

Rathi Electricals – Provides a range of electrical products including distribution boxes and MCBs certified by DEKRA, ISI, IEC, and ISO. Their products are widely used in Nepal for residential, commercial, and industrial installations, emphasizing safety, reliability, and compliance with international standards.

KTC Group – A well-established electrical goods supplier and manufacturer in Nepal, offering switchgears, LT panels, and integrated distribution boxes. KTC Group maintains international qua...
