

Network rack consultation and quotation

Overview

Book a free rack design consultation. Our engineer assesses your space, recommends the right rack and PDU, and gives you a fixed-price quote. Professional rack assembly, patch panel design, and power distribution for clean, organised, scalable network rooms. Forget about the tedious and time-consuming creation of a server rack, telecommunications rack or CCTV surveillance rack project. You can save the created designs in PDF format. World-class structured cabling, fibre networking, racks and power solutions - backed by a 25-year warranty and sold in 80+ countries. Designed to deliver today and scale tomorrow. Tailor your rack to your exact specifications, add components and accessories, and visualise your build in 3D. No sales calls until you're ready.
