

Nigerian electrical box cover manufacturer

AI Overview

Tranos, Fembosco Engineering Limited, and Electric Plus Company are notable manufacturers and suppliers of electrical box covers in Nigeria. Key Manufacturers and Suppliers

1. **Tranos** specializes in high-quality electrical enclosures designed to protect electrical components and devices. Their products are made from materials such as aluminium, stainless steel, powder-coated, and mild steel, suitable for both indoor and outdoor applications. They offer wall-mounted, flush-mounted, and free-standing enclosures compliant with International Electrotechnical Commission (IEC) standards, providing IP55 protection and internal segregation options from form 1 to form 4. Tranos serves industries including oil and gas, manufacturing, healthcare, energy, and building sectors.
2. **Fembosco Engineering Limited** is a leading supplier of electrical and industrial systems in Nigeria. They provide electrical panels, distribution boards, surface terminal shield boxes, and cable management systems. Their products are widely used in residential, commercial, and industrial applications, and they partner with global brands to ensure high-quality solutions. Fembosco also supplies switches, sockets, transformers, and fire-fighting equipment, making them a comprehensive source for electrical infrastructure.
3. **Electric Plus Company**, based in Lagos Island, offers panel boxes and electrical enclosure boxes for sale. Their products are available in various sizes, such as 400 x 300 x 170 mm, and are suitable for both home and industrial use. They are listed on platforms like Jiji.ng, providing easy access for buyers looking for ready-to-purchase electrical enclosures.
