

Plastic Optical Cable Junction Box for Towers

Overview

This product is suitable for connection protection of ADSS and OPGW optical cable connectors. (LC 6 Strand OS1/OS2) In the realm of electrical equipment and supplies, plastic optical cable junction boxes play a crucial role in protecting sensitive electronics and instruments. These enclosures are designed to house and safeguard electronic components from environmental factors such as dust, moisture, and physical damage. Fiber Optic Wall Mount Box with LC Couplers for Single Mode & Multimode Fiber Optic Cable. Therefore, different types of joint boxes are preferred by manufacturers because each has advantages based on the working environment. The joint box is sealed with steel belt and. Raycap stepped up with an innovative approach to RRH protection solutions that mitigates the risk of damage due to lightning and provides high levels of availability and reliability to radio equipment.
