

Price List for Cable Trays in Gaomi

AI Overview

Cable trays in Gaomi typically cost between \$2 and \$25 per meter, depending on material, type, and order quantity.

Price Range and Factors

The cost of a cable tray depends on several factors:

- Material:** Galvanized steel is common and moderately priced, stainless steel is more expensive due to corrosion resistance, aluminum is lightweight but pricier, and plastic trays are the most budget-friendly but suitable only for light loads.
- Type:** Ladder trays are stronger and cost more, wire mesh or perforated trays are cheaper and suitable for lighter cables.
- Size and Coating:** Larger trays or those with HDG (hot-dip galvanization) or powder coating for durability will increase the price.
- Order Quantity:** Bulk orders often receive discounts, reducing the per-meter cost.
- Additional Costs:** Shipping, installation, and local labor can add to the total project cost.

Estimated Costs

Based on international and Chinese supplier data, the average price per meter ranges from \$2 to \$25. For example:

- Galvanized steel ladder tray: \$5-\$15 per meter
- Aluminum tray: \$10-\$20 per meter
- Wire mesh tray: \$2-\$8 per meter
- Plastic tray: \$2-\$5 per meter

For large-scale projects, contacting local suppliers in Gaomi or nearby industrial hubs can provide exact quotes, including delivery and bulk discounts.

Recommendations

Determine the load and environmental conditions to select the appropriate material and type. Consider bulk purchasing to reduce costs. Include installation and shipping in your budget, as these can significantly affect the total cost. By evaluating these factors, you can plan a cost-effective cable tray installation in Gaomi while ensuring safety and durability.
