

Price of Multi-hole Trough Cable Tray

AI Overview

The price of multi-hole trough-type cable trays varies based on material, size, and supplier, with options available for bulk orders and OEM customization.

Pricing Overview Multi-hole trough-type cable trays are available in a range of materials including hot-dip galvanized steel, stainless steel (304/316), and flame-retardant PVC, which influence the cost. Prices can vary depending on tray width, length, perforation pattern, and load capacity. Suppliers often provide factory-direct pricing or OEM options, which can reduce costs for bulk orders.

Supplier Options Made-in-China: Offers factory-direct and OEM trough cable trays with competitive pricing. You can request a tailored quote based on your specifications, including load capacity and environmental conditions. Alibaba: Lists high-quality, durable, and affordable trough-type cable trays suitable for industrial and commercial applications. Quotes can be requested directly from suppliers. Tradewheel: Provides access to global manufacturers and distributors, allowing you to submit an RFQ (Request for Quote) to receive competitive offers from multiple suppliers. Accio: Features premium trough-type cable trays with fireproof and corrosion-resistant options, suitable for data centers, industrial automation, and commercial construction projects.

Factors Affecting Price Material: Stainless steel and fireproof coatings increase cost compared to standard galvanized steel. Size and Load Capacity: Wider or longer trays designed for heavier loads are more expensive. Perforation and Ventilation: Multi-hole or ventilated designs for heat dissipation may add to the price. Customization: OEM or specialized designs tailored to project requirements can affect pricing. Order Volume: Bulk purchases often qualify for discounts and lower per-unit costs.

How to Obtain a Quote Identify the material, dimensions, and perforation pattern required for your project. Contact suppliers via RFQ forms on platforms like Alibaba or Tradewheel. Specify quantity, delivery location, and any customization needs to rec...
