

Price of double ladder-side cable trays in Bissau Egypt

AI Overview

The price of double ladder-side cable trays in Egypt typically ranges from EGP 400 to EGP 1,200 per meter, depending on material, size, and manufacturer. Price Factors The cost of cable trays depends on several key factors: Material: Hot-dip galvanized steel, pre-galvanized steel, or aluminum affect durability and price. Tray Dimensions: Width, side height, and length influence the price; larger trays cost more. Sheet Thickness: Commonly ranges from 0.8 mm to 2 mm; thicker sheets increase cost. Accessories: Covers, connectors, and angles add to the total price. Installation Type: Wall-mounted, ceiling-suspended, or floor-mounted systems may affect overall cost. Supplier Options in Egypt Several manufacturers and suppliers provide ladder-type cable trays: Rovana Trade: Specializes in galvanized cable trays and ladders with full supply and installation services across Egypt. United Engineers: Offers high-quality cable trays with competitive pricing and detailed specifications. El Masrya El Almany and Al-Yathreb Factory: Provide custom metal forming and cable ladder systems for industrial projects. MT Tray Products: Offers steel cable ladders suitable for high loads and long spans, available in hot-dip galvanized or pre-galvanized finishes. Recommendation For accurate pricing in Bissau, it is best to contact suppliers directly with your required tray dimensions, material, and quantity. This ensures you receive a customized quote reflecting current market rates and shipping costs. Many suppliers, such as Rovana Trade and United Engineers, provide catalogs and detailed quotations upon request. By considering these factors, you can select a cost-effective and durable double ladder-side cable tray suitable for your project in Bissau, Egypt.
