

Qatar power distribution box manufacturer search

AI Overview

Qatar has several reputable suppliers and manufacturers of power distribution boxes and switchgear, including Bushtorm, Al Dana Switchgear, Al Bidda Switchgear, Polar Qatar, and Alsiraj Qatar.

Key Suppliers

- Bushtorm** Bushtorm is a leading supplier and manufacturer of power distribution panels and distribution boards in Qatar and Doha. They offer products like the HRMD91 Copper-Free Aluminium Alloy Distribution Panel, designed for durability, corrosion resistance, and flameproof operation in hazardous zones (Zones 1, 2, 18, and 22). Their panels are suitable for industrial applications requiring safe and efficient electrical distribution .
- Al Dana Switchgear** Al Dana Switchgear provides custom switchgear and electrical power systems for industrial and energy applications. They offer full turn-key solutions, including design, manufacturing, testing, and commissioning. Their products are engineered for high efficiency, reliability, and compliance with regional standards, making them suitable for complex power distribution projects .
- Al Bidda Switchgear** Al Bidda Switchgear operates a state-of-the-art facility in Doha, manufacturing LV and MV switchgear systems. They supply a wide range of switchgear panels, including circuit breakers, disconnect switches, fuses, protection relays, and metering devices. Their products are used in sectors like Oil & Gas, Qatar Rail, stadiums, and commercial infrastructure, and are custom-designed to meet client specifications .
- Polar Qatar** Polar Qatar specializes in custom metal enclosures and electrical boxes for industrial and commercial use. They provide durable, weather-resistant enclosures suitable for harsh environmental conditions, including high temperatures, humidity, and dust. They also offer complete sheet metal fabrication services for custom projects .
- Alsiraj Qatar** Alsiraj Qatar offers wall-mounted distribution boxes suitable for indoor...
