

Quotation for Peruvian Galvanized Cable Tray

AI Overview

Peruvian galvanized cable trays are available from leading suppliers like Brilltech Engineers, offering durable, corrosion-resistant trays with prices typically ranging from \$2 to \$25 per meter depending on type, size, and finish. Suppliers and Product Details Brilltech Engineers Pvt. Ltd is a prominent supplier and manufacturer of galvanized cable trays in Peru, offering hot-dip galvanized steel trays with robust construction, corrosion resistance, and perforated designs for proper ventilation. Their trays are suitable for industrial, electrical, automotive, and construction applications and can be customized in terms of size, dimensions, and material thickness. Other suppliers in Peru also provide ladder-type and perforated galvanized cable trays, which are widely used for heavy cable loads and harsh environmental conditions. These trays are designed for quick installation, reducing labor costs and ensuring long-term durability. Pricing Overview The price per meter of galvanized cable trays varies based on material, coating, tray type, and order quantity. Typical ranges are: Galvanized steel trays: \$2-\$25 per meter, with hot-dip galvanized (HDG) trays costing more due to superior corrosion resistance. Ladder-type trays: Slightly higher than perforated trays due to structural strength and load capacity. Bulk orders: Can reduce costs by 20-40% depending on quantity and supplier. Additional factors affecting pricing include tray width, height, thickness, shipping, and installation costs. For precise quotations, suppliers like Brilltech Engineers offer customized quotes based on project specifications and can provide free estimates upon request. How to Request a Quotation To obtain a quotation: Contact suppliers directly: Brilltech Engineers can be reached via their website or phone (+91-9818292266) to discuss your requirements. Provide project details: Include tr...
