

Rainproof distribution box with the highest waterproof rating

AI Overview

For maximum waterproof protection, choose distribution boxes rated IP66 to IP68, which are dust-tight and resistant to heavy rain, jets of water, and temporary submersion.

Top Waterproof Ratings

- IP65:** Protected against dust and low-pressure water jets from any direction. Suitable for general outdoor use, gardens, rooftops, and coastal areas.
- IP66:** Dust-tight and protected against powerful water jets. Ideal for harsh outdoor environments, industrial sites, and areas with heavy rainfall.
- IP68:** Dust-tight and capable of continuous immersion in water under specified conditions. Best for extreme outdoor or marine applications.

Recommended Products

- SinoBreaker AT & HT Series:** Offers IP65–IP68 sealing, UV-stabilized ABS/polycarbonate housings, and DIN rail configurations. The HT series provides extra internal space for terminals and wiring, while the AT series is compact for tight installations.
- ZCEBOX IP65 & IP66 Boxes:** Durable, CE & ROHS certified enclosures suitable for outdoor and industrial applications, with options for custom solutions.
- Ruideli HA Series:** Plastic enclosures rated IP65/66, made from high-impact-resistant polycarbonate or ABS, designed for both indoor and outdoor use in harsh environments.
- Artibetter Rainproof Box (Amazon):** Compact, PP material, rainproof and waterproof, suitable for household circuit breaker protection.

Key Features to Consider

- Material:** ABS or polycarbonate for impact resistance, UV stability, and long-term outdoor durability.
- Mounting:** Wall-mount or DIN rail options for flexible installation.
- Thermal Range:** Many IP65–IP68 boxes operate from -25°C to $+85^{\circ}\text{C}$, suitable for deserts, coasts, and cold climates.
- Sealing:** Compression gaskets and latch designs maintain waterproofing even after repeated openings.
- Customization:** Some manufacturers offer pre-assembled kits, custom sizing, and accessory options for specific wiring needs.

Conclusion For the hi...
