

Saudi Arabia Cable Tray Factory Manufacturer

AI Overview

Saudi Arabia hosts a range of reputable cable tray manufacturers offering durable, standards-compliant solutions for industrial, commercial, and infrastructure projects. Leading Manufacturers Bahra Electric specializes in customized cable trays made from steel, aluminum, and galvanized steel, suitable for harsh indoor and outdoor environments. Their products are widely used in power plants, commercial buildings, and telecommunications projects, emphasizing durability and easy installation. Al-Fareed Stars manufactures high-quality cable trays, cable ladders, steel boxes, and metal framing systems. Their products are ISO 9001 certified and cater to diverse sectors including government, healthcare, and industrial projects. They offer ladder-type, perforated, wire mesh, and custom-designed cable trays. Ashoury Cable Tray provides both open and closed cable trays, focusing on safety, organization, and accessibility. Their solutions are used extensively in oil & gas, power generation, and telecommunications, meeting local and international standards. Enduro Composites produces composite cable trays designed for corrosive and harsh environments, offering high strength and durability. Adhwa Al-Rawafid Electric Industries manufactures hot-dipped galvanized cable trays, cable trunking, and accessories. Established in Dammam, they are ISO 9001-2015 certified and provide complete cable support systems for industrial and commercial applications. WESCOSA (Westinghouse Electric Supply Company of Saudi Arabia) offers cable trays, trunking systems, communication runways, and accessories. Headquartered in Dammam, they have a long-standing presence in the Saudi market. Power Solution Industries (PSI) operates in Saudi Arabia with a manufacturing facility and provides cable trays, trunking, GRP systems, and strut metal framing for...
