

Saudi Arabia Fireproof Cable Tray Manufacturer

AI Overview

Top manufacturers in Saudi Arabia for durable and fire-resistant cable trays include WESCOSA, Adhwa Al-Rawafid, Al Fareed Stars, Bahra Electric, and Hitech Fence. Recommended Manufacturers

1. WESCOSA Headquartered in Dammam, WESCOSA offers a wide range of cable management systems including cable trays, trunking, and covers. Their products are designed for industrial, commercial, and infrastructure projects, ensuring durability and compliance with safety standards.
2. Adhwa Al-Rawafid Electric Industries Based in Dammam, Adhwa Al-Rawafid specializes in high-quality cable trays and runway systems. They are ISO 9001-2015 certified and provide fully enclosed cable support systems with optional covers, suitable for fire-resistant applications.
3. Al Fareed Stars Al Fareed Stars manufactures ladder-type, perforated, wire mesh, and custom cable trays. Their products are ISO 9001 certified and engineered for strength, safety, and long-term performance in industrial and commercial environments.
4. Bahra Electric Bahra Electric provides customized cable trays made from steel, aluminum, and galvanized steel. Their systems are designed to withstand harsh environmental conditions, making them suitable for indoor and outdoor fire-resistant installations.
5. Hitech Fence Hitech Fence supplies heavy-duty cable trays with GI, HDG, and powder-coated finishes. Their systems are designed for industrial plants, substations, and large MEP projects, offering long-term durability and fire safety under extreme temperatures and UV exposure.

Key Considerations

Material and Coating: Look for galvanized steel, powder-coated, or hot-dip galvanized trays for fire resistance.

Certifications: ISO 9001 and other quality certifications ensure compliance with safety and performance standards.

Project Suitability: Choose manufacturers experienced in industrial, oil &...
