

Selection of Galvanized Cable Trays in Cambodia

AI Overview

You can find high-quality galvanized cable trays in Cambodia from leading suppliers like Brilltech Engineers and Super Cable Tray Pvt. Ltd., offering durable, corrosion-resistant solutions for industrial and commercial applications.

Leading Suppliers

- Brilltech Engineers Pvt. Ltd.** Brilltech Engineers provides hot-dip galvanized cable trays designed for robust performance and corrosion resistance. Their trays are suitable for electrical, automotive, and construction industries, offering easy installation and long-lasting durability. They also supply GI earthing strips and other cable management accessories in Cambodia. You can contact them directly to request a quote or discuss custom requirements.
- Super Cable Tray Pvt. Ltd.** Super Cable Tray specializes in galvanized perforated cable trays and accessories. Their products are designed for commercial and industrial structures, including factories, hospitals, airports, and shopping centers. They offer channel-type trays, wire mesh trays, and GI earthing strips, all made from high-quality galvanized iron for corrosion and wear resistance. Although based in Delhi, they supply and export to Cambodia, ensuring trays are suitable for local installation.
- Other Suppliers** Additional options include Jeetmull Jaichandlall (P) Ltd., which provides a variety of cable trays in different sizes and shapes, emphasizing durability and high-quality finishing for industrial applications in Cambodia.

Product Features

- Material:** Hot-dip galvanized steel or GI (galvanized iron)
- Design:** Perforated or channel type for ventilation and easy cable maintenance
- Applications:** Industrial plants, commercial buildings, hospitals, airports, and shopping centers
- Benefits:** Corrosion resistance, long lifespan, easy installation, and support for heavy cable loads
