

Single-core outdoor drop optical cable

AI Overview

Outdoor single-core drop optical cables are designed for last-mile connectivity, offering high durability, easy installation, and reliable single-mode fiber performance. Key Models and Features

1. Corning SST-Drop™ Single-Fiber Cables
Designed for aerial, duct, or direct-buried outdoor installations. Single buffer tube containing 1 fiber, with parallel strength members for robustness. Features FastAccess® technology for simplified jacket removal and faster fiber access. Available in All-Dielectric Self-Supporting (ADSS) versions for pole-to-pole spans up to 650 feet without support wires, ideal for rural deployments.
2. Etayson 1-Core FTTH Outdoor Optical Fiber Drop Cable
Single-mode G.657.A1 fiber with low-bend-sensitivity for high bandwidth and excellent signal transmission. Two parallel FRP strength members and optional steel wire for crush resistance. LSZH (Low Smoke Zero Halogen) flame-retardant jacket suitable for indoor/outdoor use. Lightweight, easy to strip and splice, sold in 1000-meter rolls.
3. S-Opto GJYXCH Series Single-Core Options
Outdoor bow-type drop cables with metal strength members and LSZH jackets. Single-mode fiber types: G.652D, G.657.A1, G.657.A2. Self-supporting design suitable for aerial installations; some variants include a Figure 8 messenger structure. Core counts range from 1 to 24, with single-core models available for direct subscriber connections.
4. CommScope Single-Core Drop Cables
Dielectric, gel-free or gel-filled options for outdoor use. Single-mode G.657.A1 or G.657.A2 fibers, LSZH or flame-rated jackets. Designed for FTTH deployments with easy installation and high durability in arid or challenging environments.
5. Avalon Networks 1-Core Armoured Flat Drop Cable
Single-mode G.657.A1 fiber with armored flat design for extra protection against physical damage. LSZH sheath enhances safety by minimizing smoke and toxic gas emissions. Suitable for outdoor FTTH installations where mechanical protection is critical.

Considerations for Selection
Fiber Type: G.657.A1 i...
