

# Slovakian optical fiber cable sales company

## AI Overview

Key Slovakian companies in the optical fiber cable market include SYLEX, PROFiber Networking, SKB-GROUP, Foss Fibre Optics, and Optolab Solutions. Leading Companies SYLEX specializes in high-quality optical interconnect solutions, including MTP® harnesses and custom assemblies, offering rapid delivery for both high-volume and tailored fiber optic products. PROFiber Networking CZ s.r.o. provides fiber optic manufacturing, calibration, and testing services through its accredited laboratory. The company also offers professional training in fiber optics, enhancing both theoretical and practical skills. SKB-GROUP manufactures a wide range of highly flexible cables, focusing on innovation and quality to meet industrial demands. They provide tailored cable solutions with strong product development and testing capabilities. Foss Fibre Optics operates production facilities in Slovakia and Norway, producing high-quality optical connectors, cables, and structured cabling systems. They specialize in bespoke solutions for telecom, defense, offshore, and industrial sectors, with a strong emphasis on sustainability and ISO 14001-certified production. Optolab Solutions, based in Bratislava, focuses on fiber optic connectors, assemblies, and custom fiber optic products designed for harsh environments, providing specialized solutions for demanding applications. Market Overview Slovakia's fiber optics market has experienced significant growth, with import shipments increasing sharply in 2024. The market shows a healthy compound annual growth rate (CAGR) of 8.72% from 2020 to 2024, reflecting rising adoption of fiber optic technology across telecommunications, industrial, and enterprise sectors. Summary For businesses seeking fiber optic solutions in Slovakia, these companies offer a range of products from standard optical cables to custom assemblies and structured cabling...
