

Slovenia U-shaped cable tray

AI Overview

Elba d.o.o., Bevec d.o.o., and Cable House are leading Slovenian brands offering U-shaped cable trays. Elba d.o.o. is a prominent Slovenian manufacturer and distributor of electrical installation products, including cable trays. They use advanced machinery such as TRUMPF laser machines and computer-guided bending equipment to produce high-quality trays from stainless steel, brass, and aluminum. Their U-shaped cable trays can be powder-coated for durability and aesthetic appeal, and they offer customization services to meet specific project requirements. Bevec d.o.o. manufactures cable trays suitable for industrial, transport, and infrastructure applications. Their trays range from 50 to 600 mm in width and 50 to 60 mm in height, with options in galvanized, hot-dip galvanized, or stainless steel, as well as powder-coated finishes. They provide a wide selection of bends, couplers, and accessories, making installation of U-shaped trays straightforward even in complex layouts. Cable House is a recognized Slovenian supplier of cable trays and related accessories. They offer customized solutions and a variety of durable materials, ensuring reliable performance for industrial and commercial projects. Their expertise includes U-shaped trays, and they provide technical support for installation and system design. Summary For U-shaped cable trays in Slovenia, Elba d.o.o., Bevec d.o.o., and Cable House are reliable options. They provide high-quality materials, customization, and installation support, making them suitable for industrial, commercial, and infrastructure projects. Depending on your project needs, you can contact these manufacturers directly to discuss dimensions, material options, and additional accessories.
