

# Source manufacturer of explosion-proof electrical distribution boxes in Australia

## Overview

TransTech®: Australian distributor of ABTECH certified explosion proof junction boxes and assembler of fire-rated electrical boxes to AS/NZS 3013 standards designed to withstand exposure up to 120 minutes. With over two decades of experience supporting hazardous area installations across Australia, Bestech understands. At Transtech Electronic Controls, we provide fire-rated enclosures, explosion-proof electrical enclosures, and intrinsically safe junction boxes, designed to ensure maximum protection for critical electrical systems in hazardous locations. Our high-performance enclosures guarantee system integrity. Inatex has supplied Warom hazardous-area electrical equipment in Australia since 2016, supporting IECEx-certified installations across energy, resources, marine, and industrial sectors. We pride ourselves on our ability to provide a high level of personal service, advice and flexibility. When working in hazardous areas.

## Article Content

Govan Industries Pty Ltd
