

South African cable tray manufacturing companies

AI Overview

South Africa has several reputable cable tray manufacturers offering a wide range of industrial and commercial solutions, including Baobab Metal Systems, SAAR Industries, Brilltech Engineers, Advanced Strut, and Jeetmull Jaichandlall. Leading Manufacturers Baobab Metal Systems produces cable trays from galvanized steel, aluminum, and stainless steel, offering perforated and solid-bottom designs suitable for medium to high-volume power, instrumentation, and fiber optic cables. Their trays provide excellent load-bearing capacity, corrosion protection, and comply with SANS standards, making them ideal for industrial, commercial, and utility applications. SAAR Industries specializes in industrial cable trays, including ladder, perforated, and wire mesh types, as well as raceway systems and accessories. They are ISO 9001:2015 certified and focus on durability, quality, and compliance with international standards. Their products are widely used in manufacturing plants, power plants, commercial buildings, and infrastructure projects. Brilltech Engineers offers high-quality cable trays in various sizes and materials such as galvanized steel, stainless steel, and fiberglass. Their perforated trays enhance airflow and cooling, while solid trays provide maximum protection. They also provide technical support, system design assistance, and installation guidance. Advanced Strut, based in Cape Town, manufactures cable ladders, wire mesh trays, support channels, and PVC/steel power skirting. They serve commercial and industrial sectors, providing solutions for electrical containment, data, plumbing, solar energy, and agriculture. Their focus is on quality, innovation, and customer service. Jeetmull Jaichandlall (P) Ltd. produces wire mesh and metal cable trays in various sizes, shapes, and configurations. They emphasize high-quality manufacturing, adherence to industry standards, and global...
