

South Asia Trough Cable Tray Price Quote

AI Overview

Trough cable tray prices in South Asia vary by material, size, and supplier, typically ranging from INR 16 per piece for small coupler plates to higher rates for full trays, with factory-direct and OEM options available.

Key Manufacturers and Suppliers

India: Chennai and Mumbai host multiple cable tray manufacturers offering GI, stainless steel, aluminum, and FRP trays. Chennai suppliers provide perforated, ladder, and wire mesh trays with detailed size charts and accessories available for industrial projects. Mumbai-based suppliers like M.G. Cable Industries list coupler plates for 25–100 mm height trays at INR 16–30 per piece, with delivery in 3–5 days and minimum order quantities of 50 meters.

China: Factory-direct and OEM trough cable trays are available through platforms like Made-in-China, offering competitive pricing and customization for load capacity, environmental conditions, and installation requirements. Chinese manufacturers dominate global exports and provide advanced coatings (ZAM, powder coating) and material options (aluminum, FRP) for durability and corrosion resistance.

Pricing Considerations

Material: Mild steel is the most economical, stainless steel offers superior corrosion resistance, and aluminum provides lightweight durability.

Design: Ladder trays are generally less expensive than perforated or ventilated trough trays due to simpler construction.

Size and Thickness: Larger and thicker trays increase cost due to higher material usage and load capacity.

Additional Costs: Include coupler plates, installation hardware, shipping, GST, and potential customization.

Sourcing Tips

Certifications: Ensure suppliers provide UL, CE, NEMA, or IEC certifications for safety compliance.

Engineering Support: Verify availability of CAD drawings, load calculations, and custom design assistance.

MOQ and Lead Time: Align minimum order quantities with project requirements and confirm realistic delivery schedules.

Total Cost of Ownership: Consider logistics, installation ease, and long-term maintenance, not jus...
