

Steel Structure Cable Tray Support Accessories

AI Overview

Steel cable tray accessories include couplers, brackets, hangers, dividers, and earthing components designed to support, connect, and secure cable trays efficiently while complying with industry standards.

Types of Steel Cable Tray Accessories

- Couplers and Connectors**
 - Straight Couplers:** Join two straight tray sections in a line. Available in medium or heavy-duty versions, typically in pre-galvanized, hot-dip galvanized, or stainless steel (316L) finishes.
 - Wrap-Over Couplers and Fishplate Couplers:** Used for connecting bent or cut tray sections, ensuring structural continuity.
 - Clamp Connectors:** Secure trays after bending or for straight connections, providing flexibility in installation.
- Brackets and Supports**
 - Hanger Brackets:** Attach trays to walls or ceilings, available in various widths and finishes, including pre-galvanized and stainless steel.
 - Stand-Off Brackets:** Maintain tray spacing from walls or other surfaces, supporting proper cable routing.
 - Hanging Bars and Clips:** Suspend trays from threaded rods; adjustable for height and angle, allowing easy alignment and load distribution.
 - Wall and Ceiling Mounting Brackets:** L-shaped or straight designs for horizontal and vertical trays, facilitating secure installation.
- Dividers and Drop-Outs**
 - Straight Dividers:** Separate different cable types within a tray to prevent interference and maintain organization.
 - Drop-Outs:** Guide cables exiting the tray, reducing stress and preventing damage; available in plastic or steel.
- Earthing and Fastening Accessories**
 - Earthing Straps:** Electro-tinned copper straps for grounding cable trays, ensuring electrical safety.
 - Roofing Bolts and Nuts:** Standardized fasteners for securing trays and accessories, available in stainless steel or galvanized finishes.

Materials and Standards
Steel cable tray accessories are commonly manufactured from:
Mild Steel (pre-galvanized or hot-dip galvanized)
Stainless Steel (grade 316L for...)
